

**GENERAL AND ANNUAL MEETING OF SHAREHOLDERS OF BIOSENTA INC.
NOTICE AND ACCESS NOTIFICATION TO SHAREHOLDERS**

You are receiving this notification as Biosenta Inc. (the “**Company**”) has decided to use the notice-and-access model for delivery of meeting materials to its shareholders. Under notice-and-access, shareholders still receive a proxy or voting instruction form enabling them to vote at the Company’s meeting. However, instead of a paper copy of the Company’s management information circular (the “**Information Circular**”), audited financial statements of the Company for the financial year ended September 30, 2018 and 2019 and the Management’s Discussion and Analysis relating to such financial statements (collectively, the “**Meeting Materials**”), shareholders received this notice with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and also will reduce the cost of printing and mailing materials to shareholders.
